Bringing Research Capacity In-House

Context

Bringing Research Capacity In-House

Context

Sessions on policy/admin research models:

▶ Research through philanthropy
▶ Research through contracts/firms
▶ Research through academics

Bringing Research Capacity In-House

Context

Sessions on policy/admin research models:

▶ Research through philanthropy
▶ Research through contracts/firms
▶ Research through academics
▶ Research *through government*

- **Pim Welle**
  Chief Data Scientist, Allegheny County (PA) Department of Human Services
- **Alyssa Huberts**
  Social Scientist, The Lab @ DC, Washington DC
- **Sebastián Olascoaga**
  Evaluation and Research Lead, Analytics Team, City of Boston (MA)
